1 Relationship to action plan	2 4 Very little relationship to the Action Plan that was read.	6 8 Some relationship to the action plan but not fully developed	10 12 Presented a fully developed action plan
2 Creativity of presentation	2 4 Traditional presentation with few inventive elements	6 8 Evidence of inventive elements, average humor or drama	10 12 Highly inventive, strong humor or drama, unique elements
<i>TOTALS</i>			
			Subtotal A

3 Completeness of presentation	1 2 Weak start and weak ending, or actions were very disjointed	3 4 Had a weak start OR a weak ending OR unclear actions	5 6 Clear actions with obvious beginning and ending
4 Incorporation of props	1 2 Only a few props used, most not noticeable.	3 4 Used props with some creativity.	5 6 Used a wide variety of the props, many in creative ways.
5 Verbal communication of ideas	1 2 Several actors could not be understood or lacked expressiveness	3 4 Most actors could be understood, some lacked expressiveness	5 6 All actors spoke loudly, clearly, and expressively
6 Nonverbal communication of ideas	1 2 Very little use of gestures or body language	3 4 Used some gestures and body language, but did not always enhance the message	5 6 Actors used gestures, pantomime, and body language that communicated clearly
7 Staging	1 2 Actors did not move around much, and/or frequently spoke away from the audience	3 4 Actors made some use of the stage and usually spoke towards the audience	5 6 Actors made good use of space and almost always spoke towards the audience
8 Involvement of participants	1 2 One main actor carried most of the presentation	3 4 Combination of more involved and less involved team members	5 6 Every actor had an effective and fairly equal role.
9 Preparation	1 2 Actors frequently looked to each other to decide what to do next, or clearly improvised on the spot	3 4 Evidence of planning but actors seemed uncertain of their roles at times and had to improvise	5 6 Well rehearsed presentation that flowed smoothly
<i>TOTALS</i>			

NOTE: For non-verbal presentations, double the non-verbal communication score and do not score verbal communication.
